

WE'RE HIRING!

For years now, Hotel Auswirt is a popular staple in the heart of the buzzing centre of Saalbach, Austria. The central location, atmosphere and hospitable service of the 4 star hotel makes it a hotel that our guests come back for. We just launched our Wens Hotel Formula with Dutch hospitality in Austria. For this reason we are looking for a General Manager (or a couple) to manage the hotel according to a particular standard where we deliver a high level experience to our guests. Which includes a high level of team spirit as part of our future success!

We are looking for a General Manager (or couple/duo)...

..that is very passionate about hospitality and guest services. Are you looking for a job within an organization that is still growing, and that would love your input for this new hotel formula in Austria? Join us today!

Flexible: you are open to learning different aspects of serving/bartending within the hotel industry! We expect a flexible approach and attitude towards working breakfast shifts, serving dinner and bartending during the evenings.

Proactive: you know the perfect balance between following the guidelines and see room for improvement, and are not shy to share your ideas with the management. 'We wanna grow!'

Smart: you have a good understanding of the German language and are able to have basic conversations. Or you can pick up on the language quickly enough.

Passion: You have a strong passion for the guest experience, and are always making sure to offer them the ultimate service. As your priority is to have 100% satisfied guests, you can handle feedback well and are able to see room for improvement when it comes to the hotel, the staff and of course to yourself.

Is your life motto is 'Work hard, play hard'? Then we know you fit right in! We will offer you:

- Good salary, meals and a warm bed at night
- An entrepreneurial work environment, we will fall, rise up, and keep on going *and learn from our mistakes
- A unique work experience in the beautiful Saalbach, Austria
- The possibility to fine tune your ski and snowboard skills!
- A typical seasonal schedule (48 hours a week, 6 days)

What are you bringing to the table?

- Work experience in a similar environment / position
 - Good communication skills, including English and / or German language skills
 - The mindset of a team player, but can work independently
- Flexible attitude when it comes to hours/days

We would like you to start from the Netherlands in mid November and continue from Saalbach at end of November.
